

REMARKS

Claims 12 & 14 through 36 have been previously allowed. Applicant, through this Amendment, has canceled Claim 11, and has amended Claim 1. The claim has been amended to clarify the claimed subject matter in conformance with 35 U.S.C. Section 112, second paragraph, and in view of the Examiner's indication of allowable subject matter. Claim 1 is in condition for allowance, and as Claims 2, 4-6, and 9 depend therefrom, they are likewise allowable.

Applicant would like to note that the Weimerskirch reference, U.S. Patent No. 5,322,296 entitled Top Gun Dog Fight Game, does not appear to be analogous art. Weimerskirch does not address the particular problems and challenges Applicant has overcome, nor does this reference illustrate, teach or suggest Applicants' accessory mounting designs, functions or components.

In view of the instant Amendment and Remarks, the allowed claims, and the Examiner's indication of Allowable Subject Matter, this case is in condition for allowance. Applicant respectfully requests action to that end.

Should the Examiner have any remaining questions or comments, the undersigned would appreciate a telephone call to possibly expedite this case.
